

DISPOSABLE PADDED BITE BLOCKS

AUSTRALIAN DESIGNED

GlideGuard

PediGuard Soft

GlideGuard PediGuard Soft

NEW AUSTRALIAN DESIGNED PADDED BITE BLOCKS

DESIGNED FOR THE NEEDS OF PATIENTS WITH COMPROMISED MOUTHS
OR THOSE WITH EXPENSIVE DENTAL WORK
OR THOSE WHO JUST LIKE COMFORT!

KEY FEATURES AND BENEFITS

STREAMLINED DESIGN – MAXIMUM COMFORT

Ideal for geriatric use. Sculpted padding helps alleviate jaw pressure.

SOFT MOUTH FEEL

Completely soft in the mouth – no dental retention ring. Easier to manipulate into the mouth. NO HARD EDGES.

RIGID INNER CORE

Protecting your device from “bite-through” effect.

READY TO USE

Each Bite Block is individually wrapped in a quick-to-open bag

VELCRO STRAP

Available with or without a simple to use, Velcro Strap

SINGLE USE AND LATEX FREE

No expensive reprocessing.
